#### Registration requirements

You are required to submit the following documents:

- a) A certified true copy of your pharmacy degree certificate.
- b) Your internship (experiential training) reports.
- c) One recent passport-size photograph.
- d) Certified true copies of the qualification documents and supporting records that formed the basis of your admission to the pharmacy programme. The Council requires these documents for background verification.

**The documents required under item (d) depend on your admission pathway, as follows:**

#### 1. Applicants admitted on the basis of WASSCE or SSSCE qualifications

Your WASSCE or SSSCE certificate showing passes in:

- **Three (3) core subjects:** English Language, Mathematics and Integrated Science; and
- **Three (3) elective subjects:** Biology, Chemistry, and either Physics or Mathematics.

#### 2. Applicants admitted on the basis of foreign or external qualifications

Your relevant certificates, together with an equivalence letter issued by the **Ghana Tertiary Education Commission (GTEC)**.

These qualifications include GCE Ordinary and Advanced Levels, IGCSE, International Baccalaureate, American High School Grade 12 or 13, and comparable qualifications.

#### 3. Mature applicants admitted with an HND in Dispensing Technology

You must submit:

- A birth certificate or passport confirming that you were **at least twenty-five (25) years old at the time of application** to the pharmacy programme;
- Your **HND in Dispensing Technology** certificate;
- Documentary evidence of **at least two (2) years of work experience before admission**; and
- Your **O-Level, WASSCE or SSSCE certificate**.

#### 4. Mature applicants admitted without an HND in Dispensing Technology

You must submit a birth certificate or passport confirming that you were **at least twenty-five (25) years old at the time of application** to the pharmacy programme, together with **either**:

- An **O-Level certificate** showing credits in five (5) subjects: English Language, Mathematics, Biology, Chemistry and Physics; **or**
- An **SSSCE certificate** showing passes in three (3) core subjects (English Language, Mathematics and Integrated Science) and three (3) elective subjects (Biology, Chemistry, and either Physics or Mathematics).

#### Examination fees

- I. Ghanaian citizens trained in Ghana: **GH¢520.00**
- II. Non-citizens trained in Ghana: the cedi equivalent of **US\$800**
- III. Foreign Practising Pharmacists seeking registration: the cedi equivalent of **US\$1,000**

#### How to register

Register online, then submit your documents at any Pharmacy Council regional office by **Monday 16<sup>th</sup> November 2026**.
